Specific feedback received on the different courses

Very thought provoking. Very engaging trainer, difficult topic to cover well (inclusion) and without causing offence
Thank you - I enjoyed the concepts and thinking of what would be considered the normal topics
Great course, liked that the trainer appreciated some techniques will not suit all people. I like not patronising at all
Varied styles and techniques good
I really found the boundaries chat useful and will be exploring that more
I thought the trainings were all thought provoking and I enjoyed how interactive and discussion based they were
Very engaging - great to have the chance to work with everyone in the room on diverse tasks
Excellent trainer, having done multiple time management trainings before, I was worried that I wouldn't learn anything but I found the training super helpful
I also thought the Equality & Diversity training was very well pitched
I would have liked a bit more time in some discussions but I appreciate it's hard as the training can't go on forever
